Message from the Pastor

Who ever drinks the water...

“...Whoever drinks the water I shall give will never thirst, the water I shall give will become in him a spring of water welling up to eternal life...” The words of Our Lord Jesus Christ, today in the Third Sunday of Lent according to John’s Gospel is directed for all Christians, especially those who practice in receiving the Holy Eucharist. For myself, a priest who celebrates the Holy Eucharist many times, I felt so sinful and so unworthy...at the same time I also feel so blessed and so hopeful in the Holy Eucharist.

He knows I struggle to follow and keep God's commandments everyday in my vocation. Finally, He knew without His Spring living water I will die for that reason He died so I can have His Spring living water all the times.

I write this story of my life to all of you especially to those of you who struggle just like me that no matter the condition of our life please do not give up on Jesus Christ especially in the Holy Eucharist. Join with me and other sinners in the world in the Spirit of repentance and trusting completely in Jesus Christ. Let us hold our life together and walk

together everyday and finish the race of our vocation with Jesus Christ. May Mary and Joseph the earthly parents of the Infant Baby Jesus intercede for us all before Him.

Thank you

I feel so sinful and unworthy because I still struggle to have faith and to live my life accordingly to what I do. I am far worst from the Samaritan woman today in the Gospel. I have been and continue to be touched by Jesus Christ everyday in my vocation and yet it seems like I'm still drinking some of the unhealthy water from the world instead of the spring water from Jesus Christ.

I also feel so hopeful and blessed because Jesus Christ died for me before even I know who I am. He died for my past, my present and my future...He died so I can live not only a blessed life on earth but also for Eternal life with Him.

Jesus Christ is always there waiting for me every moment in my life. It does not matter what the weather conditions looks like, nor does it matter of the rain, snow, hot, cold...It also does not matter what the world tries to condemn me...Jesus Christ loves me always because He know in my heart I belong to Him,
