## Solemnity of the Epiphany

This week we celebrate the Solemnity of the Epiphany of Our Lord Jesus Christ.

God had revealed himself in a normal human body in the form of a male baby just like all babies born from the womb of a woman. The only difference is that Our Blessed Mother conceived Jesus Christ by power of the Holy Spirit.

In the Gospel of Matthew we heard the story of the Three Wise Men, who had dedicated their life to study the nature of the stars and come to believe that Jesus Christ truly the King of the Jews who will give salvation to the whole world and the three men have given up almost everything and endured the journey to follow the stars to find Jesus.

When they found baby Jesus with his mother Mary they offered to him Gold, Frankincense, Myrrh to proclaim Jesus truly the eternal King.

In our life we all just have like three wise men to journey to find Jesus in our daily life. There will be a time we may feel the love of God in our life for many reasons come from our own human weakness and the world we live

in. Many times we do not want to continue, we want to give up....this is not something surprising to God. For that reason God found the Church and present himself to the Church by the Holy Scripture and most of all in the Holy Eucharist, so we can receive as long as we have these sacraments we will be able to continue our journey and finish like the three wise men who found baby Jesus.

May the New Year of 2017 will give us a fresh air of the Holy Spirit who will help us in our journey to follow Jesus and my the Infant of Jesus of Prague will show himself to the world especially for those who need him the most at this moment.

All of us here will continue to keep the Shrine open as a place for all the needs of the whole world and this is possible from all of your generous support.

Thank you  
*J.M. Honophanyuk*

Sincerely,

Priest Long Phan Ngoc
