We were very blessed by the Vietnamese Community with a beautiful large white statue of Our Lady of La Vang. We have placed her in the Mother's Garden surrounded by a bed of flowers. On your next visit to the Shrine please take the time to see her. We have included a picture of her.

We hope everyone is having a wonderful summer. If you are traveling thru Oklahoma please stop and visit the Shrine and gift shop. The Shrine is open 9:00 am to 5:00 pm Monday-Sunday. Gift shop hours are Monday-Friday 9:00 am to 5:00 pm, Closed on Saturday and Sunday 12:00 pm to 3:00 pm.

Message from the Pastor

Solemnity of the Most Body and Blood of Christ...

This week while on my way to visit my family I saw the words "I love you so much" on the back of the car in front of me. I keep wondering what does that person means; love the car, love the person who owns the car, or even love the beauty of what the car looks like. Now a days the word love can be used for many reasons and seem like it no longer has its own meaning ..this weekend we celebrate the Solemnity of the Most Body and Blood of Christ .. Jesus said to them amen, amen I say to you, unless you eat the flesh of the Son of Man and drink his blood, you do not have life within you ..so the one who feeds on me will have life because of me ..this kind of love is the true one because it depends on the person who is Love and share love with us with Him and in Him for eternity. We all need to figure out how to receive this love in our daily life for love is the meaning of life and life requires hard work every day so we can discover love.

The Body and Blood of Our Lord Jesus Christ in the Holy Eucharist is the foundation of Love..

this may not sound easy to our ears or even to our human way of thinking. We do not eat and drink other human body and blood that is

totally unacceptable and yet we have to with Our Lord Jesus Christ Body and Blood. For years and even until now I still pray and meditate on this

mystery and beg Jesus Christ to help me to understand the meaning of what He said. It's close like something I can easily understand, at the same time it's far like something I can not even imagine but, this is what our faith is all about as a followers of Jesus. I believe the grace of God is sufficient for all but each one of us have to continue to work hard every day to keep this alive and fresh especially when we come together to celebrate the Holy Eucharist.

I pray and hope that all of You who read this message will join with me in this mystery of Love from God to all humans in the Body and Blood of Our Lord Jesus Christ.

May the Blessing of the Infant Jesus of Prague be with the whole world and to those who need the most at this present time. Our prayers and thoughts journey with all the Shrine members everyday especially in the Body and Blood of Jesus Christ when we celebrate the Holy Eucharis.
