## Greetings from the Shrine Staff

June 2017

We hope everyone had a wonderful Mother's Day. There has been a lot going on here at the Shrine the last two months we had Easter, Czech Heritage Dinner, Kolache Festival, Mother's Day and First Communion. All the events were beautiful so we thought we would share some photos with all those that could not attend. Even if you are not here with us you are always remembered in our prayers. Hope you enjoy the photos.

Happy Father's Day to all the Dad's which will be celebrated on June 18<sup>th</sup>.

## Message from the Pastor

# God the Father's Love for all his creators...

Sixth Sunday of Lent

God the Father's Love for all his creators is the real message to all of us and this message presents among us in Our Lord Jesus Christ in the Unity of the Holy Spirit. This is what Jesus declares, I am the way, the truth, and the life... in the last few weeks the Gospel's of John have continued to refresh us... on this Sixth Sunday of Easter Jesus Christ himself confirm to us.. I will ask the Father, and he will give you another Advocate to be with you always, the Spirit of truth. May the Eternal Work of God from the Holy Scripture nurture our body and our souls always.

As summer is on the way to the Shrine, we will start and finish some of our projects. The wall around the station garden and the Shrine has been accomplished, also the roof above the gift shop and the dining hall of the Shrine is almost finished. The repairs were needed due to heavy wind and rain. All the lights in the gift shop have been replaced to LED so we can have better light and less electric bill. We still have some more projects under way but they are not major.

We plan to put the new roof for the store room, fix one of the leaks from the window of the Shrine. We thank you for all your prayers and your support to make all this happen for the glory of the Infant Jesus of Prague.

There is one thing we here at the Shrine sincerely ask for your support, as I have been here more than two years I have tried to do my best to fulfill my duty as a Priest, everything about the Shrine we need to take good care of it. I have been watching

closely to the News Letters condition and find the way to improve both in a spiritual and financial matter. Prague in Oklahoma is a small town, every month we send the News Letters out and it takes a lot of labor from the staff and money to pay the printer and post office. Every time the news letters come back to us we have to pay the post office penalty and it is very expensive... after study and share with the staff we want to make a new move for this year to improve this situation. Below this letter you will see two columns,

☐ I want to continue to receive the monthly newsletter \_\_\_\_\_

☐ I do not want to continue to receive the monthly newsletter \_\_\_\_\_

Please check one of the columns so we will know and serve you in a better way.

The monthly newsletter is not a newspaper, it is the messages from all of us here at the Shrine and we do it out of our love for the Infant and for all of you, so please help the Infant Jesus of Prague and help us as well. If you have any concern or feedback, please write to us.

May the Month of Mary the Mother of the Infant Jesus and our Mother bring us Peace, love and joy as we follow the way, the truth, and the life from the teaching of Her son the Infant Jesus of Prague.
