## By the Grace of God...

Jesus said to his disciples: "As the Father loves me, so I also love you. Remain in my love... This is my commandment: love one another as I love you..." The Words of Jesus in the Gospel of John this Sixth Sunday of Easter reminds all of us and whoever believes in Him, has clear vision of how to live and keep his commandment. I do believe the Love Jesus brings to the world I Eternal, everything outside of this Love is temporary. This Eternal Love we all receive from Jesus has the ultimate power to help us in turn to love our neighbors. As long as we live on earth we still have to discover this Love for ourselves from the Holy Eucharist, the Holy Scripture and in our daily activities of life.

**By the grace of God and permission of Archbishop Coakley and your prayers, this year will be the 4<sup>th</sup> year since I came to Prague, Ok. Together with the staff and all the help of the people who volunteer to help the Shrine of the Infant Jesus of Prague, we are doing our best to serve and to keep this place available for all the visitors who come to visit the Shrine.**

**This year starting in June, July and August we will ask you to help us up date our monthly system of mailing letters by responding in the box below if you would like to continue to receive the news letter every month or if you would not want to receive it. Please help us to do this because every month we have to pay a lot of money for this and when the letters come back because of changed addresses or many other reasons we have to pay the cost for the return to the letters to the post office. We have a very limited staff, we live in a small town and everything we do takes time and cost money. For example after we write the monthly letter, we have to send it to the company to print and to send it to you. Therefore we ask you to please help us to stop the waste of time and money. We can use the money we save to help the poor in the world.**

**After June, July and August depending on your response, you will continue to receive the monthly newsletter or we will**

**stop sending it until we hear from you. If you have any concerns or questions about this matter, please call the office (405) 567-3080 and ask to talk to Father Long.**

**As a member of the Shrine you will always be a member and we will pray for you everyday. However, the news letter sent out every month is optional. Let us know if you would like to continue to receive it or not.**

May the Infant Jesus of Prague bring us peace and peace to the whole world.

The more you honor me The more I will honor you

Thank you again for your love and your support.

Sincerely

Father Long Phan Ngoc
