## THE NATIONAL SHRINE OF THE INFANT JESUS OF PRAGUE April 2022

THE MORE YOU HONOR ME  
THE MORE I WILL BLESS YOU

Luke Gospel's Chapter 15, the prodigal son is the most important place in which Jesus show us the love of God the Father. Who loves all of us.'....While he was still along way off, his father caught sight of him, and was filled with compassion. He ran to his son, embraced him and kissed him...His father ordered his servants, "Quickly bring the finest robe and put in on him: put a ring on his finger and sandals on his feet. Take the fattened calf and slaughter it. Then let us celebrate with a feast, because this son of mine was dead, and has come to life again: he was lost and has been found.' Then the celebration began..." As we continue our own journey of Lent many of us including myself embrace this Gospel message dearly to our hearts. We pray that the Love of God from Heaven will turn each one of us from the slave of sins back to God, I believe it will happen if we really embrace this message and act on it with our sincere repent. Every year Lent opens for me a new way to come to know more about God's love for me. I hope it also happens to you who read this message as well. Together, let us find the way to go home with our father. We may have to do it many times but as we try and retry again and again, we will make it one day like the prodigal son.

May the Blessing of the Infant Jesus of Prague pour down upon the world during the Easter Season where Our Lord Jesus Christ had conquered the dead of sins and gives new life to all. Especially where war, sickness, hungry...still shadow humans' life.

We here at the National Shrine of the Infant of Prague send our love and prayers to you and to your families.

The More You Honor Me  
The More I Will Bless You.

Sincerely,

Father Long Phan Ngoc
