## THE NATIONAL SHRINE OF THE INFANT JESUS OF PRAGUE

### NOVEMBER 2018

THE MORE YOU HONOR ME

THE MORE I WILL BLESS YOU

**The Lord God Said: : "It is not good for a man to be alone, I will make a suitable partner for him."**

These Words of the Lord from the Book of Genesis in this Twenty-Seventh Sunday show us clearly the loving and caring of God who created us and the purpose He had for all of us.

God in God-self is a Family of Trinity, Unity and Love. God the Father, God the Son and God the Holy Spirit. This is what we call Heaven or Eternal life. And from this we are born as God's children. God wants us live happy with ourselves and then share what we have with others so all will know the Love of God.

However as we know the life on earth challenge us everyday to keep in mind and follow the path God plan for us, from the moment we came out from our Mother's womb until the moment we rest below the ground we have to try our best to remember and to practice the Word of God.

After the fall of Adam and Eve, God knows we are not capable of dealing with our own desires and through out the history of human life God have been trying to find the way to help us regain our own identity and be able to deal with what Adam and Eve fall into. The Birth of Our Lord Jesus Christ is the answer. The Son of God had become the Son of man. God present among us and walked with us. Jesus said if you eat my Body and drink my Blood you will have eternal life and I will be with you always. Human being no longer to be alone in their earthly journey Jesus have become an suitable and partner to each living on earth.

As I conclude this writing I just feel full of courage full of hope because of God love have for me. I want to share with you this message. I sincerely invite you to take time to see the love of God in your life and live a happy life with God and with one another.

Sincerely,

Father Long Phan Ngoc
