## THE NATIONAL SHRINE OF THE INFANT JESUS OF PRAGUE November 2020

**THE MORE YOU HONOR ME  
THE MORE I WILL BLESS YOU**

“...For To Everyone who has, more will be given and he will grow rich; but from the one who has not, even what he has will be taken away. And throw this useless servant into the darkness outside, where there will be wailing and grinding of teeth.” These verses are the end of Matthew’s Gospel on the Thirty-Third Sunday in Ordinary Time.

Its taken me along time from both human thinking and God’s Divine help for me to understand these messages above, as the way I understand it today. Before I always wonder why Jesus said give more for those who has more. Take away from those who has not. Now I understand this message and I hope as you read this message you will understand as well. The day we come out from our Mothers womb we all receive equally the amount blessing from God in our life, just like the servants in the Gospel we read today. However, along the way of life we all use this gift freely according to our own way. Some of us will make more progress some of us may make less or not make any or even throw it way or give it to someone else to use it. Whatever our decision with our gift received from God we all have to answer to God at the time we leave the earth and see God face to face. I pray and I hope that Jesus will say to us ,” ...Well done, my good and faithful servants. Since you were faithful in small matters, I will give you great responsibilities. Come, share your master’s joy.” And not” ...Throw this useless servant into the darkness outside, where there will be wailing and grinding of teeth.” May the Infant Jesus of Prague bring Peace and Love into the world and to our country during this Christmas Season, we here at the Shrine journey with each one of our members everyday in celebration the Holy Eucharist and daily prayers. Please take good care of yourselves and all your loved ones. We sincerely, thank you for your support and your love.
