## THE NATIONAL SHRINE OF THE INFANT JESUS OF PRAGUE

### February 2021

**THE MORE YOU HONOR ME  
THE MORE I WILL BLESS YOU**

January of the New Year 2021 is about to pass so February can take its place . What an imagine of harmony God created and function accordingly without the touch of a human being. Nature obeys to God alone even from time-to-time when human beings try to control it and fail badly. As I study the reading for this Fourth Sunday in Ordinary Time. The Gospel of Mark tells us the story how people were astonished at Jesus teaching. “For He taught them as one having authority and not as the scribes.” The authority from Jesus is eternal power because it came from the Holy Trinity. The Father, The Son, and the Holy Spirit. “what is this? A new teaching with authority. He commands even the unclean spirits and they obey him.” The unclean spirit is the family of the snake which caused Eve and Adam to be cast out from God’s Garden. Jesus know this unclean spirit will continue to follow human beings on earth and we are not capable to avoid. For that matter Jesus gives us His Life both in the Holy Scripture and the Holy Eucharist so He can live in us and allow us to share in His power to deal with the unclean spirit.

I would like to invite whoever reads this message to look up to Jesus and ask Him for help. Because I think most of us still have at least one or more unclean spirits which we do not want them to continue to control our life. Lent is the right start for this matter, let us take seriously this Season of Lent and ask Jesus to allow us to be with Him in the desert of our own life to help us to renew our relationship with Him.

All of us here at the Shrine of the Infant Jesus of Prague thank you for your love and your support. May the Infant Jesus Bless you and your families.
